Provisional IPC Membership Status

Dear Ms. Veronesi,

With this letter we would like to inform you that your organization was granted the "Provisional IPC Membership Status" by the IPC Governing Board during their meeting on 10 March 2010 in Vancouver, Canada.

From now on you will be eligible to participate in all IPC sanctioned competitions and events. Please note that this is also subject to payment of the membership fee. Therefore you will receive soon the invoice for the membership fee for the year 2010 and a letter with further explanation from our Finance Department.

The IPC General Assembly will be invited in 2011 to formally ratify the membership of your federation, following which you will receive full voting rights. Voting rights are granted only to officially mandated representatives and are subject to annual payment of the membership fee. More information will follow in due time prior to the next General Assembly.

If you have any questions, please do not hesitate to contact us at your convenience.

The IPC international competition calendar can be found on the IPC webpage. We look forward to welcoming your athletes to IPC competitions.
